RURAL AMERICA AT YOUR SERVICE

100% EMPLOYEE OWNED

Artisans is a 100% employee owned company, which means we are passionately invested in both the quality of the products we make and the services we provide. Our very existence in rural America also depends on the relationship we develop with our customers. In choosing Artisans, you are gaining not only 61 years of experience and a phenomenal Midwest work ethic, but also industry leading manufacturing capabilities, global sourcing, swift turnaround, an in-house art department and friendly customer service.

Artisans continued growth and innovation has included a steady expansion into the collegiate market, and as a part of that journey we are thrilled to announce the 2023 acquisition of College House Apparel. The blending of College House with Artisans will allow us to provide our customers an exceptional line of products and services. We look forward to assisting you in promoting your school!
